Mrs. Christina Drakos
Sagapo Children's Foundation

Dear Christina,

Please accept our cordial greetings on behalf of the Sol y Luna Intercultural School.

This letter is to thank you for your great generosity! Everyone at the Sol y Luna School greatly appreciates your donation of € 5,000 in January 2014.

With your donation, you are supporting our mission, through the purchase of 100 school desks. After 5 years, our children are still using the furniture and taking care of it.

You truly made the difference for us, and we are extremely grateful!

With the support of compassionate organizations such as Sagapo Children's Foundation, we will continue to offer the integral and inclusive education that the children in the Sacred Valley deserve.

Again, please accept our gratitude for your heartfelt generosity.

We say goodbye, hoping to count on your support again in the future.

Sincerely,

Petit Miribel
